- To move forward with our endless determination and enthusiasm, to move forward and meet the expectations of our suppliers and customers.

Lenos

MCO

4T is advanced semi synthetic 4-stroke engine oil designed to keep your engine running like new by providing exceptional wear, tear corrosion and oxidation protection with high levels of detergency and dispersancy which keeps engine components clean inside.

Performance Benefits:
Excellent start-ups in cold condition •
increases fuel efficiency •

Recommended for:
All 4-stroke Engine &
all imported Bikes

Available pack sizes: 1L, 900 ml

Formulated with advanced additive technology which help in

Performance Benefits:

- Maintaining power and pickup
- Protecting engine from wear
- Excellent start-ups in cold conditions
- Increases fuel Efficiency

Recommended for:

All 4-stroke Engine &
all imported Bikes

Available Pack Sizes: 1L, 900 ml

DEO

Suitable for Heavy Duty trucks and Equipments and Prior engine.

Products Benefits:
Better oxidation control.
Excellent protection against corrosive
Wear and piston deposits.
Improves engine life.
Specially formulated for
turbo charged engines.

Available Pack Size: 5L

Gear Oil

Superior quality gear oil for severe duty operation in manual transmissions rear Axles and heavily loaded gear systems of Excavator Machine trucks, buses and Equipment where API GL-4 performance level is required

Fully Inhibited with advanced additives to combat extreme pressure, wear corrosion, oxidation and foaming

Available pack sizes: 5L

Performances Standard:

- DIN 51524 Part II & Part III (HLP & HVLP)

Recommended For Or Applications

- Mobile hydraulic equipment.
- All Industrial hydraulic system, Mobile and construction equipment hydraulic system.

BENEFITS:

- Enhanced wear reduction
- Excellent oxidation stability ensures extended oil
- Service life Reduced risk of breakdown in high pressure/high load hydraulic systems over a wide temperature range

Available Pack Sizes: 26L, 210L

Hydraulic Oil

Coolant

Suitable for all makes of trucks, buses, cars

Performance Benefits :

Long life COOLANT formulated with OAT patented technology

Environment friendly :

free from phosphates, silicates, borates, nitrates, amines and nitrites Compatible with hard water and can tolerate hardness up to 700 ppm

Available Pack Size: 5L
